Dear Friends,
Such a pleasure to write you. How are you and your family? How are things? My parents and I are fine here, thank God. I am doing well in school, actually am an 11th grader this year. I already wrote 2 tests, and have started with the third term, which will lead us straight to the end of the school year. I am motivated to keep on working hard to be successful though. It was nice to hear about your church and your other activities. We have got some rain here lately. In fact, it is raining right now while I am writing this. What is the plan at church for this summer? Be aware that I will continue to pray for you and your loved ones. God bless you more and more every day.
Thank you for your prayers, for your love for me and for the letter. Please pray that I remain healthy and to always be successful.
